Congress

Get the facts about how Common Core will affect your child's future

- › Does it provide a better quality education?
- › What is the difference between Core Knowledge and Common Core?
- › Why is data mining necessary, and how does it affect your child's privacy?
- › How will national control affect local decision making?
- › Are your parental rights at risk?
- › What are the true costs to you and the schools to implement Common Core in Colorado?
